OUR PASSION FUELS YOUR SUCCESS

**We can't control what you paid for fuel.
We will help you get the most out of it!**

Throughout ongoing market disruption, AFS took a leadership position in the home heating supply space. Encouraging industry leaders and fuel dealers alike to avoid rear-view mirror thinking while working tirelessly together helped instill confidence and trust in Bioheat® fuel. Recognized as the industry leader when optimizing fuel performance through chemistry and elite customer service and storage protocols make AFS the logical strategic partner when building a sustainable home comfort business. ***Is your fuel Advanced?***

THE DVEMA, BHHCLV, AND CCFDA ARE NOW THE

Strength in numbers has brought together the Delaware Valley Energy Marketers Association, the Better Home Heat Council of Lehigh Valley, and the Chester County Fuel Dealers Association to form a brand-new organization—we're pleased to announce the Eastern Pennsylvania Energy Association (EPEA).

302,365

The number of oil-heated homes
that are now served by the EPEA!
That is more than 1/3 of the oil
heat customers in Pennsylvania.

Looking Forward to Serving the Community

The Eastern Pennsylvania Energy Association is committed to supporting their members and the communities that they serve. They work hard every day to protect member interests, work with Pennsylvania policy makers to ensure that our industry's voice is heard, and promote the benefits of today's oil heat for residential and commercial use across the region.
